### Willow Furniture in a Most Extensive Variety.

Beyond all doubt there is no furniture so adaptable to the various uses of the ordinary home as is furniture of French willow. There is practically no room in the house that denies space to the graceful willow chair, settee, table, or stool, and it is equally desirable and lasting on the porch or veranda.

Its substantial, durable, and cleanly qualities, together with its light-

### BACON'S DESIGN ACCEPTED.

Lincoln Memorial Contract Goes to New York Architect.

The Lincoln Memorial Commission yes-terday selected Henry Bacon, of New York, as the architect for the \$2,00,00 edition. John Russell Pops, the compet-ing architect, who is also from New York, lost the contract after a hard fight. York, lost the contract after a hard fight. The design submitted by Architect Bacon provides for a rectangular building about 100 feet wide by 200 feet long. It will be surrounded on all sides by marble columns forty feet high and of a Deric design. Inside there will be a great central hall with a signatic status of Lincoln at one end. On the side walls will be tablets of President Lincoln's Gettysburg address and his second inaugural address. The choice of the memorial commission in not declaive and needs the approval of Congress, it is expected, however, that
